**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please protect competition. Internet prices should stay affordable. Broadband is critical to reliable access to what is now a standard form of communication and accessing knowledge. It must remain accessible to the general public and not become burden to families and community members.

Thank you
